The screenshot shows the PubMed website homepage. At the top left is the NIH logo and the text "National Library of Medicine National Center for Biotechnology Information". At the top right is a "Log in" button. The main header features the "PubMed.gov" logo. Below this is a search bar with the placeholder text "Search PubMed" and a green "Search" button. Under the search bar, the word "Advanced" is displayed. A paragraph of text states: "PubMed® comprises more than 30 million citations for biomedical literature from MEDLINE, life science journals, and online books. Citations may include links to full-text content from PubMed Central and publisher web sites." At the bottom, there are four main navigation categories: "Learn" (with a lightbulb icon), "Find" (with a magnifying glass icon), "Download" (with a download arrow icon), and "Explore" (with a globe icon). Below these categories are links: "About PubMed" under Learn, "Advanced Search" under Find, "E-utilities API" under Download, and "MeSH Database" under Explore. A chat icon is visible in the bottom right corner.

The screenshot shows the Web of Science website interface. At the top, there is a navigation bar with links for Web of Science, InCites, Journal Citation Reports, Essential Science Indicators, EndNote, Publons, Kopernio, and Master Journal List. On the right side of the navigation bar, there are links for Sign In, Help, and English. Below the navigation bar, the main header displays "Web of Science" and the Clarivate Analytics logo. A secondary navigation bar contains links for Tools, Searches and alerts, Search History, and Marked List. The main content area features a "Select a database" dropdown menu set to "Web of Science Core Collection". Below this, there are four search tabs: Basic Search (selected), Author Search^{BETA}, Cited Reference Search, and Advanced Search. The search input field contains the example text "Example: oil spill* mediterranean" and a search button labeled "Search". To the right of the search input is a "Topic" dropdown menu and a "Search tips" link. Below the search input, there are links for "+ Add row" and "Reset". The "Timespan" section shows a dropdown menu set to "All years (2001 - 2020)" and a "More settings" dropdown menu. At the bottom of the page, there is a footer with the text "Welcome Chiang Mai University (ThailLIS Project) Support by UniNet, Commission on Higher Education" and the Clarivate Analytics logo.

Search for publishers (name or URL)

Potential predatory scholarly open-access publishers

Instructions: first, find the journal's publisher – it is usually written at the bottom of the journal's webpage or in the “About” section. Then simply enter the publisher's name or its URL in the search box above. If the journal does not have a publisher use the [Standalone Journals](#) list.
All journals published by a predatory publisher are potentially predatory unless stated otherwise.

Original description

This is a list of questionable, scholarly open-access standalone journals. For journals published by a publisher, please look for the publisher on the list of publishers, [here](#). This list is only for single, standalone journals. We recommend that scholars read the available reviews, assessments and descriptions provided here.
